

Scholarship Committee

Accomplishments – 2008-2009

1. Established and maintained more complete records of scholarship awards managed by the Foundation.
2. Worked with the counseling department and appropriate school staff to assure that scholarship and award funds were utilized according to their criteria.
3. Incorporated “orphan” funds held by the Foundation, but not being tapped, into the South High Foundation Scholarship Fund.
4. Continued monitoring status of Finnberg Scholars. Implemented procedures for fund allocation and identifying alternate recipients when necessary.
5. Implemented a recognition program for scholarship & award recipients, sponsored by the Foundation.
6. Implemented the first award of South High Foundation Scholarships.

Goals for 2009-2010

1. Maintain records of scholarship recipients for communication, PR, and historical purposes.
2. Continue to work with the counseling department and other school staff to assure that all scholarship and award funds are presented and utilized according to their indicated criteria.
3. Maintain contact with and monitor scholarship recipients school progress to assure proper use of scholarship awards, and provide a supportive link to the Foundation.
4. Follow established procedures for acquiring and allocating scholarship funds in cooperation with the Foundation treasurer.
5. Plan and hold a recognition reception for Foundation scholarship recipients.
