Linda Nelson spoke to the group about the entrepreneurial class that we would like to initiate the fall of 2008. She stated that she has not heard from the Dunwoody people about the curriculum that is needed to commence with planning. Chuck Carlson said he would communicate with Dunwoody to speed up the process.

Linda also said that South students would be involved in a fundraising project to raise funds for the Athletic Field.

The group began a discussion on planning for a Spaghetti Dinner next fall. Loyd Schanke stated that he would talk to the Class of 1960 to provide leadership for the Dinner. Judy Pilhstrom stated she would see if the Class of 1957 would work on the project. It was suggested that the Class of 1954 might also be interested in helping. The following suggestions were discussed by the group:

- Date, location, time
- Early evening in September
- Possibly around Home Coming
- Don't conflict with October luncheon
- Have Silent Auction
- Get community involvement
- Target audience – parents, students, alumni, and community
- Identify possible activities that would receive funds from the profits of the Dinner – examples; Athletic Field, coaches, music department, and so on...
- Involve Booster Clubs for parent help
- Advertising, PR

- Finances - start up money, ticket selling, get authorization for these funds from the Board
- Food - donations, how much food needed
- Identify other possible activities

Meeting was adjourned at 12:45 p.m.
