

Strategic Planning Committee

Report

March 2 – 11:30am-1:00pm

❖ **Attendees:**

- Harold Benson, Elmer Koch, Lil Iverson, Bill McMoore, Carol Peterson, Don Swanson, Bob Arneson, Jim Bloom, Rod Hemstreet, Chuck Carlson, George Dahl, Nancy Rosenow

❖ **Alumni Luncheon**

- Lee Dahlberg has passed away, so we need assistance with name tags, etc. Bill will contact Carol P. for help with name tags and any other assistance.

❖ **Building Cleanup**

- This was a previous issue. Will not be addressed, it is not high on the priority list, according to the work the committee has done.

❖ **Entrepreneur Class**

- Jim McGraw is coming into town for the Wall of Honor. He would like to meet with the class and board members, if possible. The week he is here is spring break. Perhaps we should ask the teachers if they would like to attend the Alumni Luncheon. Rod H. will organize. Tentatively set for Tuesday April 7 at 11:30am at Curran's on Nicollet & 42nd.

❖ **Student Awards**

- South High Wrestling has 2 students in the State Tournament, Swimming has 3 students in the State Tournament. Taylor H. has broken the state basketball record, and was also named McDonald's All-American. Should the board present her with a plaque at the Alumni Luncheon?

❖ **Strategic Planning**

- Robin Cousins (MPS Volunteer Coordinator) presented the Membership Committee with a draft of a plan to attract members. Students are members of subgroups (Athletics, Arts, etc.). There isn't "A" student body, there are many.
