Message from Principal Nelson

The year just ending has not been problem free. We have seen large cuts in the school budget. We are also in a sustained effort to help students and staff members cope with our national crisis. Yet, these problems have given us the opportunity to focus on building a strong sense of community at South High. We are continuing to work to provide the most excellent education for our students. Without the generous assistance of the Foundation, many opportunities for students would be lost. We are most grateful for the support. On behalf of the South High staff and student body, I offer thanks and a wish for a peaceful and happy holiday season.

Linda Nelson, Principal

Greetings to South High Alumni, Parents and Friends

With all the great accomplishments the South High Foundation is helping students achieve, I thought this letter would be easy to write. That is, until Sept. 11, the day that has changed us all.

I am sure the perpetrators of the horrific act did not in their wildest dreams anticipate the impact their actions would have on the United States and its citizens. First of all, they awakened a sleeping giant. Not only the United States, but also most nations around the world are determined to bring the terrorists and their supporters to justice.

Secondly, the incident sparked an overwhelming response among Americans to provide financial and spiritual support to disaster victims and their families. Support on a level we've never before seen in America. From grade school children to large corporations, our country's citizens are making a difference in the lives of those in need.

It is my hope that this spirit of giving spreads to the South High Foundation this season. South High School's enrollment is increasing and more students are becoming involved in extra- and co-curricular activities. As a result, the Foundation's financial needs continue to grow.

Your contributions can make an impact on South High. Best of all, they can make a difference in the lives and futures of our students.

My sincere thanks and warm wishes for a meaningful holiday season.

Jim Bloom '45, Chair

Needed: South High Class Rings

Have you put your class ring in your jewelry box and forgotten about it? The archive committee would like to assemble a collection of South High class rings. We have 1929 and 1939 and hope to receive enough rings to arrange a special display at South High School.

Please contact Dick Westby at 612-722-2853 or leave a message at the Foundation office 612-668-4344.

Earl Seubert Scholarship

A scholarship in memory of Earl Seubert, January '45, has been established by his wife, Elaine, and their children. The scholarship will be for South High School graduates who wish to pursue a career in photo-journalism. Earl was the chief photographer for the Star Tribune. His 41 year career won him national acclaim including "National Press Photographer of the Year" three times. Memorials to the Seubert Scholarship Fund may be sent to the South High Foundation, please make the notation "Earl Seubert Fund". Call George Dahl at 612-922-4833 for more information.

Korean and Vietnam Memorial

After WWI and WWII impressive bronze plaques were dedicated to the memory of South High servicemen and women who were killed in action or missing in action. These plaques are still permanently displayed at South. Many people feel it is now time to memorialize the KIA and MIA from the Korean and Vietnamese conflicts. If you know of any former students whose name should be included please call the Foundation at 612-668-4344 and leave a message. Include the name, rank, birthdate, and date of attendance or graduation from South. Also leave a contact number. If you would like to work on this project leave a message at the same number. If you wish to make a donation for this project send your check to the South High Foundation at 3131 19 Ave. S., Mpls., MN 55407 and please note "War Memorial".
